The Hull Savoyards have started the new season which involves a condensed production of Gilbert and Sullivan's Utopia Limited in November and a full production of The Mikado in June 2014.

The Society as always would like to welcome new members and at present are particularly **inte rested in any tenors**
that would like to sing and perform in The Mikado. We can guarantee some hard work but an enjoyable and satisfying experience at rehearsals and in taking part in a production. Rehearsals are on a Thursday evening and anyone interested and requiring further information should contact the Secretary on 01482 876918 or email
secretary@hullsavoyards.co.uk
.

Volunteers that can contribute toward stage sets, costumes, assist with lighting, work backstage or front of house are also more than welcome.
