

Hull Savoyards are to perform three concerts on the theme of Gilbert and Sullivan's culture. Savoyards' chairman, Harold Kay, says: "The concert is the perfect way for Savoyards to play their part in the Hull City of Culture 2017. It will show how Gilbert and Sullivan reflected culture in all its forms. For example, Japanese culture in 'The Mikado'; the cultured aristocrats of the House of Lords in 'Iolanthe'; the highbrow culture of Oscar Wilde in 'Patience'. The concert includes costumes and everything is illustrated with wonderful songs."

Audiences throughout Hull and the East Riding will find they can attend a concert near their homes. It is to be performed at The Floral Hall Hornsea on 18/11/2017, the Civic Hall Cottingham on 25/11/2017 and at the Willerby Methodist Church on 2/12/2017.
